

**Embargoed until 11 June 2026, 12.00pm**

11 June 2026

MEDIA RELEASE

**\$500 worth of CDC Vouchers 2026 (June) to provide assurance for all Singaporean households and to support hawkers and heartland merchants**

1. The Community Development Council (CDC) Vouchers Scheme 2026 (June) was officially launched today at Nanyang Community Club. All Singaporean households will receive \$500 worth of CDC Vouchers. The CDC Vouchers, originally scheduled for disbursement in January 2027, were brought forward to June 2026 to provide assurance for Singaporean households amid heightened cost-of-living anxieties arising from the uncertain situation in the Middle East.
2. The event was attended by the Guest-of-Honour, Deputy Prime Minister and Minister for Trade and Industry, Mr Gan Kim Yong. Also in attendance were the Mayors and representatives of the CDCs:
  - Ms Low Yen Ling, Senior Minister of State for Trade and Industry & Culture, Community and Youth, Chairman of Mayors' Committee, and Mayor of South West District;
  - Mr Baey Yam Keng, Mayor of North East District;
  - Ms Denise Phua, Mayor of Central Singapore District;
  - Mr Alex Yam, Mayor of North West District; and
  - Mr David Ngoh Tai Wee, BBM, Chairman, Philanthropy & Donation Committee, District Councillor, South East CDC.

Please see the [Annex](#) for quotes from the five mayors.

***Assurance for Singaporean Households and Support for Hawkers and Heartland Merchants***

3. This launch underscores the Government's commitment to reassure Singaporeans that cost increases can be managed. As with earlier tranches, the amount is split equally: \$250 for spending at participating hawkers and heartland merchants, and \$250 for spending at participating supermarkets.
4. This ninth tranche of the nationwide digital CDC Vouchers Scheme continues to provide meaningful support for Singaporean households and

participating hawkers and heartland merchants. By encouraging Singaporeans to spend within their neighbourhoods, the scheme also creates opportunities for residents to support our hawkers and heartland merchants. The CDC Vouchers Scheme supports a diverse range of businesses, from traditional hawkers who provide daily essentials to modern neighbourhood retailers, ensuring broad support across the heartlands.

5. Residents can find nearby participating heartland merchants, hawkers, and supermarkets by visiting [go.gov.sg/cdcvouchers](https://go.gov.sg/cdcvouchers). Participating hawkers and heartland merchants can also be identified by the teal CDC Vouchers decal, while participating supermarkets can be identified by the yellow CDC Vouchers decal.

### ***Seamless Process for Claiming and Spending CDC Vouchers***

6. Singaporean households can visit [go.gov.sg/cdcv](https://go.gov.sg/cdcv) and log in with their Singpass to claim the latest tranche of the CDC Vouchers. In line with sustainability efforts and positive resident feedback, notification letters will not be issued for this ninth tranche of the CDC Vouchers Scheme. Instead, information on the claiming process will be made available on digital platforms, social media, newspaper advertisements, and community posters to guide residents.

7. After claiming, an SMS from gov.sg will be sent to the registered mobile number, containing a unique voucher link. This link can be easily shared among household members, allowing everyone to use the vouchers conveniently. The SMS links for the CDC Vouchers Scheme 2026 (June) differ from those sent for the CDC Vouchers Scheme 2026 (January). **The CDC Vouchers Scheme 2026 (June) will be valid until 31 December 2027.**

### ***Ensuring Continued Support for the Digitally Less-Savvy***

8. To facilitate the claiming process, the CDCs have mobilised a support network. For seniors and residents who may be less familiar with digital tools, assistance is readily available at Community Centres/Clubs (CCs) and SG Digital Community Hubs. Priority queues will be available at CCs for seniors and persons with disabilities. Additional support will also be provided for residents without smartphones or those who need help setting up Singpass accounts or resetting passwords. The CDCs appreciate the public's patience and understanding during peak periods for voucher claims.

9. Reflecting the spirit of shared care, youth and student volunteers will be working alongside CDC Ambassadors to assist residents with the claiming process. In the first week of the launch, over 250 volunteers from institutions such as the

Institutes of Technical Education, Tampines Meridian Junior College, Ngee Ann Polytechnic and Singapore Management University will be deployed at high-traffic CCs. This collective effort underscores the commitment to foster a culture of care and inclusivity.

10. SG Digital Office's (SDO) Digital Ambassadors and Silver Infocomm Wellness Ambassadors will also be present at selected CCs from 12 to 16 June 2026 to help residents claim their digital vouchers. SDO will conduct CDC Vouchers Learning Journeys at these locations to equip residents with hands-on knowledge on how to use their vouchers effectively. Beyond this period, Singaporeans can continue to pick up digital skills for daily living tasks, including claiming their CDC Vouchers, with the support of SDO's Digital Ambassadors at over 30 SG Digital Community Hubs and more than 200 roving counters island-wide.

### ***Reminder to Stay Vigilant Against Scams***

11. The People's Association (PA) and CDCs urge members of the public to exercise caution when claiming the CDC Vouchers. Claiming CDC Vouchers does not require residents to disclose any bank log-in details, transfer money, or install mobile applications from unofficial app stores. If you receive any suspicious messages related to gov.sg or CDC Vouchers, contact PA at 6225 5322. If you are unsure if something is a scam, you should call the 24/7 ScamShield Helpline at 1799.

12. For more details on the CDC Vouchers Scheme 2026 (June), visit [vouchers.cdc.gov.sg](https://vouchers.cdc.gov.sg).

**End**

## **ANNEX: Quotes from Mayors**

### **Ms Low Yen Ling (Chinese: 刘燕玲女士) Mayor of South West District, Chairman of Mayors' Committee**

“Global uncertainties have raised cost-of-living concerns among Singaporean households. By bringing forward the disbursement of the \$500 CDC Vouchers to June 2026, we hope to provide immediate and meaningful relief to Singaporeans for daily expenses. The early rollout will also boost our local economy and support our heartland merchants and hawkers. Together, this move reflects our collective spirit of resilience and care as one people.”

### **Mr Baey Yam Keng (Chinese: 马炎庆先生) Mayor of North East District**

“Beyond easing daily expenses, this early disbursement is an opportunity to connect with our families, neighbours and community. When our residents visit the neighbourhood hawkers and shops to spend their CDC Vouchers, it is an opportunity to share a meal with their loved ones or groceries with a neighbour who might need a helping hand and build relationships with community merchants. It is in these every day heartfelt interactions that we keep our heartlands warm and closely knit.”

### **Mr Dinesh Vasu Dash (Chinese: 迪内希先生) Mayor of South East District**

“To ensure this assistance continues to help households manage current pressures, the claiming process remains simple and fuss-free. If help is required, it is readily available at your nearest Community Centre/ Club. From families managing household expenses to seniors picking up daily essentials, I hope these vouchers bring some relief to every Singaporean household.”

**Ms Denise Phua Lay Peng (Chinese: 潘丽萍女士)  
Mayor of Central Singapore District**

“Behind each tranche of the CDC Vouchers Scheme is a collective effort of care involving many agencies, community partners and volunteers. What encourages me most is seeing everyone coming together to support vulnerable residents, especially seniors who live alone, are less digitally savvy or literate. These acts of care and looking out for one another are what keep our community strong, ensuring that no one is left behind.”

**Mr Alex Yam (Chinese: 任梓銘先生)  
Mayor of North West District**

“Every CDC Voucher spent also supports our local merchants, who provide everyday essentials to the communities we serve. We want to specially acknowledge the merchants who have gone the extra mile during these uncertain times by finding creative ways to keep prices affordable. When we look out for one another, our heartland communities grow stronger together.”

## **About the Community Development Councils (CDCs)**

Since 1997, the CDCs have been bridging communities by strengthening social infrastructure, building social resilience and social capital, and promoting a culture of giving back, through the following ways:

- (a) Aggregator of Needs and Resources
- (b) Builder of Capability / Capacity in Partners and Networks
- (c) Connector of Communities

There are five CDCs, namely, Central Singapore, North East, North West, South East and South West CDCs. Mayors of the Districts are Chairman of the respective CDCs. The Office of the Mayors comprises:

- (a) Ms Low Yen Ling                      Chairman of Mayors' Committee &  
Mayor of South West District
- (b) Mr Baey Yam Keng                      Mayor of North East District
- (c) Mr Dinesh Vasu Dash                      Mayor of South East District
- (d) Ms Denise Phua Lay Peng                      Mayor of Central Singapore District
- (e) Mr Alex Yam                      Mayor of North West District
