

Overview of CSI Fund

What is the Corporate Social Integration (CSI) Fund about?

With the Community Development Councils (CDCs)'s strong community and corporate network as well as National Integration Council (NIC)'s resources to promote quality and sustainable workplace integration, the partnership aims to support Corporate Social Responsibility (CSR) and volunteerism efforts in the community through projects which:

- Create platforms for local/ foreign employees from corporate organisations and the local community to interact;
- Raise awareness of workplace integration among corporate organisations & Trade Associations and Chambers (TACs); and
- Encourage and support corporate organisations & TACs in developing sustainable projects that promote engagement with, and contribution to, the community.

CDCs / Corporate organisations can tap on the CSI Fund to support projects which involves promoting engagement with, and contribution to, the community through:

- Organising of, and participation in, activities which contribute to the community;
- Contribution of effort (but not limited) to a Voluntary Welfare Organisation (VWO); and
- Involvement of residents and members of local community.

The desired outcomes of the CSI Fund are:

For Employers	For Employees
<ul style="list-style-type: none"> • Practices to promote fairness and trust among employees • Training for supervisors to be culturally sensitive • Sustained efforts to promote workplace integration and community involvement 	<ul style="list-style-type: none"> • Increased awareness on the benefits of being culturally aware and sensitive • Increased openness to interact with those from different cultural and nationality backgrounds • Encourage fellow employees to support workplace integration

NIC-CDC CORPORATE SOCIAL INTEGRATION (CSI) FUND

The following project is eligible for funding:

Corporate Social Responsibility Project
(a) Supports workplace integration outcomes. (b) Encourage sustained engagement with and contribution to the community. (c) Minimum 20 unique count of Participating Staff* per project. (d) A good mix of local and non-local staff i.e. Non-local staff with a minimum of 20% onwards. (e) Capped at \$100 per Participating Staff
* Participating Staff refers to the staff from a company who are organising or participating in the CSR project.
